MINUTES OF MEETING
(Expert Committee Meeting – 3D Animation)

- **Ms. Malini**, Director, DDU KAUSHAL Kendra, Loyola College, welcomed all the staff members and started the discussion about the existing syllabus and spoke about the necessity of restructuring the same. She also insisted that the process should render full focus towards making the students ready for the industry.
- **Dr. Ezhil** suggested that animation syllabus to be covered over all the semesters, so that the students should get expertised by the end of third year.

Further he insisted to include Re-topology in the syllabus.

He also made a point that additional softwares like Mudbox or Zeebrush be made part of the syllabus along with MAYA.

Mr. Ragunath suggested that after the first year let the students be allowed to focus on specific area of animation like Modeling or texturing or Rigging or Animation, etc. Also he suggested Rigging and animation be introduced in the third year.

Ms. Poornima expressed her thoughts that for B.Voc Claymation has less focus in syllabus, Number of hours is not sufficient for Stop-motion. Also she suggested that in Fundamentals of Animation- drawing can be introduced. This can be implemented by introducing Real life study/ Outdoor drawing/ Real character drawing.

She further put forth her words by saying that Stop-motion be removed and instead claymation be included.

Also sculpting can be brought into syllabus.

Mr. Kalaiselvan put forth his views as Photography be moved to Sem-1 from Sem -4. Texturing can be added as a separate subject which involves

unwrapping, tileable, Non-tilable and much more in it for students to get expertised.

Mr Thyagarajan reflected the views by saying more focus to be given to modelling and texturing and also drawing. He said about introduction of murals and sculpting. He further noted that Character Modeling be focussed and projection on texturing on the 3D model.

Resolutions of the BoS:

- Focus towards Portfolio development .
- M.Voc- Sem 2 – elective subject – Lay out Design can be changed to Environmental Designing.
- Re-topology can be added in 3rd or 4th semester.
- Sculpting can also be included in the syllabus.
- PHOTOGRAPHY now in Sem-4 can be moved to Sem -1.
- Murals can be introduced.
- In English- script writing should be added. Script writing must not be combined with Story boarding and Character design.
- Flip book animation be introduced.
- Other than character modeling a Diaroma can also be concentrated.
- Walk cycle, Bipedes, Quadripeds be focused.
- Rigging and animation in the third year.
