VALUE ADDED COURSES 2018-2020

Loyola College (Autonomous)

Chennai- 600 034

ASSESSMENT

Access has a strong system for monitoring and evaluating the progress of Access students. This includes administering a placement test (Initial) at the beginning of the Access Program and the same test at the end of the Access Program (Exit) to track the progress of the student's language acquisition. Aspects of student performance to be evaluated include listening comprehension, verbal communication, accuracy, and fluency.

INTENSIVE SESSIONS

Exclusively, there are 40 hours of Intensive sessions, like a training camp, conducted to practice English language skills, build teams, gain confidence, and learn in a threat-free environment.

A PLACE WHERE THE
STRONGEST MEMORIES ARE

ENGLISH ACCESS MICROSCHOLARSHIP PROGRAM 2018-2020

AN INITIATIVE OF
THE U.S. DEPARTMENT
OF STATE

COMMUNITY SERVICE ACTIVITIES

The Community Service component is in place to increase the students' awareness of issues facing their respective communities while also gaining an understanding of the ways they can positively contribute to civil society.

TEXTBOOKS AND SUPPLEMENTARY MATERIALS

The appropriate and approved textbooks for the Access Program are selected in consultation with the U.S. Embassy/Consulate. For Access Program at ICRDCE, Our World, level 5 by National Geographic is used as textbook along with supplementary DVDs, workbooks and related materials provided.

U.S. CULTURE AND VALUES

A key element of the Access Program is to familiarize students with important features of U.S. culture and values. Students are encouraged to develop respect for and interest in other cultures, customs, and beliefs.

PERSONAL DEVELOPMENT ACTIVITIES

Various components of the Access Program seek to foster personal development by working towards building balanced intellectual and emotional capabilities with students to better prepare them for future academic and professional endeavors. Students are introduced to topics including career development resources, available opportunities to pursue higher education, and additional U.S. government-sponsored exchange programs.

ABOUT ACCESS

The program

It is a global scholarship program supported by the U.S. Department of State. Since its inception in 2004, over 110,000 students in more than 80 countries have participated.

Vision

Access seeks to empower students with strong English language skills to find better jobs and educational opportunities, and also gain the ability to participate in and compete for future exchanges and study in the United States.

Duration

Access is a two-year program that requires a minimum of 360 hours of instruction.
