SHORT TERM
COURSE

Loyola Institute of Social Science Training and Research (LISSTAR) is a unit in Loyola College, Chennai that promotes research in Social Sciences. LISSTAR is organizing a 10 day Research Methodology program in its premises. This is meant for research scholars and young faculty members in Social Sciences who have the eagerness to enhance their research aptitude and skills.

About the Course

The purpose of this course is to equip the participants with necessary skills to formulate, design, carry out a research project and disseminate its findings. This course shall develop proficiency among the participants to use computer software packages such as SPSS and AMOS to enable them to conduct independent data analysis for their own research study.

Content of the Program

- ▲ Research in Social Science – Concepts, Nature, Characteristics, Functions, Steps, Problem formulation, Review, Hypothesis, Variables, Designs.
- ▲ Qualitative Methods and Analysis - Grounded Theory, Case study, Focus group discussion, Sociometry, Interviewing techniques, Content analysis, Life history analysis, Discourse analysis, Gender analysis
- ▲ Quantitative Methods and Analysis - Data visualisation, Sampling distributions, Confidence intervals, Descriptive statistics, Correlation, Multiple linear regression and model building, Analysis of variance (ANOVA), Discriminant analysis, Factor analysis, Logistic regression
- ▲ Mixed Method Designs - Sequential Explanatory, Sequential Exploratory, Sequential Transformative, Concurrent Triangulation, Concurrent Embedded and Concurrent Transformative Design
- ▲ Research Report and Dissemination

Methodology

The format of the course is a combination of lectures and seminars. Lectures are interactive and introduce the key conceptual issues of each method, as well as giving practical guidance. Lectures also incorporate critical discussion of sample papers from the peer-reviewed literature, developing researchers' skills in critically evaluating reports of qualitative research. Seminars provide hands-on experience of the core methods. The course will be supported by computer-based practical classes which will allow course participants to practice implementing the lecture material hands-on in SPSS and AMOS.

The participants will have experts to guide them in their research process and provide mentoring. This will help them to tide over road blocks and provide concrete assistance in their work.

Fee Structure

Course Fee	: Rs.5000
Board & Lodge	: Rs.3000
For non-residents participants	: Rs.1500 (lunch and refreshments)

A Training Programme on Methods and Approaches for Research in Migration Issues

Date: 20th to 24th November 2017

Time: 09.00 am to 05.15 pm

Venue: Centre for Development Studies, Thiruvananthapuram, Kerala

About the Programme

Migration research has gained prominence in today's world, given its relevance for the economy and the society at large. Interest in migration studies has widened beyond the discipline of demography due to its manifold implications.

Centre for Development Studies, Thiruvananthapuram, Kerala organizes a Training Programme on Methods and Approaches for Research in Migration Issues from 20th to 24th November 2017 at Centre for Development Studies, Thiruvananthapuram, Kerala. The training programme is sponsored by Loyola Institute of Social Science Training and Research (LISSTAR) of Loyola College (Autonomous) Chennai and Rajiv Gandhi National Institute of Youth and Development (RGNIYD) Chennai.

The five-day crash course connects the researchers with emerging issues, and consequences of internal and international migration and familiarises them with the research tools of conducting surveys as well as of assessing the magnitudes, characteristics, flows and implications of migration, based on types and sources of data.

Interested candidates can download the application form from the websites: www.ods.edu and www.rgnyd.gov.in
