Hi Ms. Malini,

D.Anto was one of our interns this semester.
During his tenure with us he always showed an interest and flair towards cinematography and his dream to work with Velraj (cinematographer).
We used our good offices and got him the opportunity to work with Velraj for one of his movie projects and he seems to have caught a good hold of it.
If you could take his work experience as part of his curriculum, it will be of great support to his career.
