

DEPARTMENT OF FOREIGN LANGUAGES

ACTION TAKEN REPORT 2016

ALUMNI	<ul style="list-style-type: none">• The courses offered are relevant to the students to pursue their higher studies in India as well abroad• The courses are career oriented• The alumni felt the teachers have a command over the language and the teaching methods adopted are creative and innovative• Regular remedial classes are conducted and peer group learning is encouraged• Students are evaluated on their presentation skills and creativity and originality.• Students are satisfied with the infrastructure provided by the college• The alumni find the mentoring session as it served as a platform to share their thoughts about academics and infrastructure.• As per the alumni and the Industrial expert feedback, Translation and Computers have been introduced in the new restructuring syllabus. As the B.A.French students find employment in software companies like WIPRO, CTS and TCS, it was suggested that we train the students on the vocabulary used in the IT industry and also a special paper on Translation was offered.
PARENTS	<ul style="list-style-type: none">• Academic program offered by the Department of French is adequate for the students• The syllabus is regularly updated• The quality of the teachers is appreciated• Accessibility of the teachers in the department for the parents and the students at any time.• Community service is found useful by the parents as it helps in the holistic development of their wards• The evaluation method is done in a fair manner

	<p>adequate for the students</p> <ul style="list-style-type: none">• The syllabus is regularly updated• The quality of the teachers is appreciated• Accessibility of the teachers in the department for the parents and the students at any time.• Community service is found useful by the parents as it helps in the holistic development of their wards• The evaluation method is done in a fair manner• The parents suggested that the Internship be offered by the French Department rather than the History Department. The parents felt that the employment scope in French was diverse as History focuses only on tourism. As per their suggestions, the department has offered internship in the new restructuring syllabus 2016-2017.
FACULTY	<ul style="list-style-type: none">• The teachers feel the course content is relevant and need based and they are updated regularly to meet the growing demand in the field of employability• The courses give importance to the acquisition of the four skills of language learning.• The language teachers feel that more autonomy to be granted to the teachers in curriculum development and evaluation• The staff of the department felt the need to introduce Francophone Literature as many questions are based on it, in the NET exams.• As per the teachers' request , we have reintroduced German as an allied subject to meet the bilingual demand in the global

	market.
STUDENTS	<ul style="list-style-type: none">• The students felt that the courses taught go hand in hand with the outcome of the course as expected• The teaching methods followed by the teachers are ICT enabled, creative, innovative and regularly updated.• The co-curricular and the extracurricular activities offered by the college and the department help them in their holistic development• As per the student's feedback, we have introduced spoken French for four semesters. Spoken French will make the students hone their communication skills and fit them in a more employable environment and help them face the outside world more confidently. So Initiation a l'expression orale is introduced for four semesters.
ACTION TAKEN	<ul style="list-style-type: none">• Syllabus is updated and restructured taking into consideration the feedback from the various stake holders.• German was introduced as an allied subject for two semesters• Nomenclature of few courses were changed• Four semester of Spoken French was introduced• Courses on Translation and Computers were introduced as skill based courses.• Francophone Literature was introduced as it will help in the NET exams• Internship was offered by the Department of French• French Literary Movements is a new course offered to the English Department as an allied subject• Francais de l'hotellerie et du tourisme was introduced to make students more employable
