No of Participants: 18

Collaborating agency:

An awareness programme was carried out by our club at Saidapet by the Green Rotaracters lead by the Faculty Coordinator and a few board members. The main theme of awareness was Fire Free Bhogi to protect and safeguard our environment. This was held by coordinating with the local Traffic Police. Students held charts and display boards while shouting slogans to create awareness on the issue. This programme was welcomed by the area people which made this programme a great success.

Awareness campaign conducted by our Green Rotaracters in Saidapet And Interaction with the area Police.

## ROAD SAFETY-13/01/2017

No of Participants: 30

Collaborating agency: -----

The community service project on Road safety and regulations was held in our college. Creative charts and posters were made by the club members with a good sense of humour and with a tad of sarcasm to create awareness on road safety. The charts and posters were displayed in the college premises near the parking and the main entry and exit gates so that the students would take a note of them for their own well-being and the society's well being too.

Posters and creative charts displayed in the college premises for awareness
