Annual Report – Academic Year 2016-2017

Training and placement began its academic year activities by initiating a meeting of all Department staff in-charge of Training and Placement with Fr. Principal on 8th July 2016. Father Principal emphasized on identifying the strength of the students and to bring new companies to our campus in order to increase the number of students getting placed.

CAREER COUNSELLING AND TRAINING

Training was provided for the Final year students from various departments. It included sessions providing intensive training in Soft skill, Numerical ability Logical and Reasoning ability. The students were grouped into 16 batches. Three hour session for three days was conducted. There was a very good and positive response from the students.

New Initiative:

Loyola College and Brain Valley initiated a new program called Career Booster Program, first time in Loyola. A regular online training program was given to the students with frequent online tests and online video modules and demos for soft skill development. A well-structured syllabus was formulated bridging the academic syllabus and industry requirement. A systematic analysis was made through different methodology.
